To Whom I May Concern

on: **October 1, 2020**

Presenters: Panel of Persons Living with Dementia

Course Description: To Whom I May Concern is an interactive, storytelling performance by individuals living with dementia. It promotes dialogue between individuals living with dementia and the people around them. Nationwide, there is a growing population of persons living with dementia who are aware of their diagnosis and are speaking out. Their goals are to abolish the stigma associated with living with dementia, give voice to the lived experience and advocate for full inclusion of persons living with dementia. The To Whom I May Concern performance allows persons living with dementia to initiate conversation that many are afraid to have and then answer questions from the audience in the Talkback session that follows the performance.
