MALA Annual Conference & Dementia Summit (Virtual):

Bathing Without A Battle

on: September 29, 2020

Presenter: Teepa Snow, MS, OTR/L, FAOTA, Positive Approach, LLC

Course Description: During this session Teepa will focus on improving the bathing experience for both the person served and the care partner. She will provide helpful hands-on techniques that are effective for anyone needing assistance with bathing, but especially for those living with dementia. Teepa will discuss the importance of knowing the personal preferences and history of the person served. She will also discuss assessing the physical environment as well as the flow of the day, routines and care partner approach. Teepa's positive approach to care helps care partners focus on remaining abilities.
